About Us

PENCON is the only annual conference for editors in the Christian market. Attendees come from all over the United States to network with other editors and learn new skills.

PENCON is a division of Christian Editor Network, which has been providing education, networking, and community for Christian editors since 2004.

Scholarships

The 2T22 Scholarship Fund is based on the principle found in 2 Timothy 2:2. Mature Christians are to pass on the expertise they've gained to "reliable people who will also be qualified to teach others."

Full Scholarship \$319

Provide the full conference fee for one attendee at PENCON. The attendee will be required to pay for his or her travel expenses, lodging, and meals. You will be given the contact information of the recipient.

Partial Scholarship \$50-\$160

Your donation to the 2T22 fund ensures that the wisdom of seasoned Christian editors will be passed on to the next generation of editors who are committed to biblical values. All contributions to the fund will be acknowledged in our program.

Advertising

Advertisements will be included in the program, which will be given to all faculty and attendees. Choose black-and-white or color ads. Use the space to describe your services, promote your group, or offer a discount coupon for products or services.
